Onmyoji, werewolves, and vampires appeared in front of the twin brothers who have just attended school. These people who were trying to get close to them are all investigating the reason for a weird occurrence that happened 4 months ago. Onmyoji Kunimi, Werewolf Hayate, and Vampire Karen followed Sou and Sui's footsteps and joined the Supernatural Research Club. The first club activity was finding the Tsuchinoko. However, Sou accidentally fell from the cliff and got injured. Sui then used his powers to instantly heal Sou's injuries-

Eh...
Sui?

SUI!
WHAT HAPPENED TO YOU?!
WHAT DO YOU MEAN? SOU. YOUR HEAD IS BLEEDING...
Eh?
It's not bleeding...
Also, why is Sou hugging me?
Isn't Sou the one who fell off the cliff?

Huh?
Takaya Sui?
Don't you remember what you did just now,
ズイ…
You're saying I did something...
WHAT HAVE I DONE? SOU!
Did I somehow blunder?!
ば"
You don't have to care about what that guy said!
……

WHAT?! IT'S ACTUALLY ME? ISN'T IT SOU?
That's right! We saw everything.
Oi, oi! Sui-kun,
you're still trying to cover up at this stage? That's rather impossible.
WE SAW THAT KID USE HIS POWERS!
Her finger..
...is pointed at me.
Huh?

Not sure if it's considered the aftermath of the power, but please look around your legs.
Eh?
The evidence is the area of his wounds, there weren't even any scars.
You healed Takaya Sou's bleeding injuries in an instant.
It's true, Takaya Sui, it's you.
The ground surrounding us has sprouts growing all over...
OH!

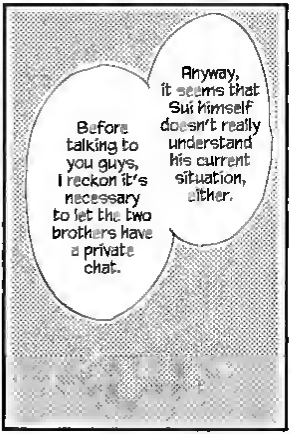
With Sou's power, shouldn't it be impossible for him to achieve this?
It's obviously your power, Takaya Sui.
And, I'm afraid it's also...
the power we have been searching for-

There are no mistakes.
Is it really me? There must be some kind of mistake...
Up until now, I've also never had this kind of capability..
Be it the ground that's growing sprouts or the healing of Sou's wound, I don't remember any of it.
Huh? That...
Even though you guys say that... I really don't understand what's going on.
Everyone here was a witness, you know.
If that's the case, the memories of the car accident did indeed disappear
Sou was the one who told me about what happened...
I'm thinking that during the car accident four months ago, something similar must've happened.
He's been trying to find ways to stop us from knowing about your powers, that itself is the best evidence.
And, it also seems that your brother knew about this already.
EH?
ばっ

I would really like to know...
...what kind of power Takaya Sui has.
I would like to know, too.
Me, too.
Could it be..
...being overly protective and cautious with our surroundings...
...was because he knows that I have the power?
Sou,
is it true?

No, it's because I'm an outsider that I have the right to interrupt.
OUTSIDERS LIKE YOU SHOULDN'T INTERRUPT!
Kirino, you intruded into a tense situation again

Erm...



Before talking to you guys, I reckon it's necessary to let the two brothers have a private chat.
Anyway, it seems that Sui himself doesn't really understand his current situation, either.

At this rate, either one of you will scare them away. You don't want them to escape, do you?

Isn't it better if we were to go back first and calmly talk about this after?

Although, I hate to accept the suggestion from this fatty, it's seems to be the only way.

And it's not possible for him to escape in this situation...
Sigh...

That's right, I think it would be better if Sui gets a hold of reality...

Okay then, let's fix up a date for everyone to discuss this,
and lets head back for the day?
That's why I hate it when the fatty speaks
It's almost time for the bus to arrive anyway
What were you all doing? Has anyone caught or even seen a Tsuchi-noko?
Forget it me too.
Yeah.
But they've found something even bigger...
Although I can't say it out loud...
But we can't give up of course!
Tch!
No luck in finding it this time, as well-
Oh, well~

Sou...
Do I really...
どんっ
Sou -
Tell me everything!
Didn't you promise that you'd tell me back then in the bus?
.....
...have powers? Sou should know.
It's so scary...
It obviously has something to do with myself, but I don't understand at all...
Also...

I've always been thinking this day might come...
If it's possible, I hoped this day would never come.
Sou...?
If you're asking a simple question like...
"Do you have powers?"
The answer is yes.
EH? REALLY!?
SO WHAT KIND OF
BUT...
...to talk about your power, I have to tell everything about Sui's accident.

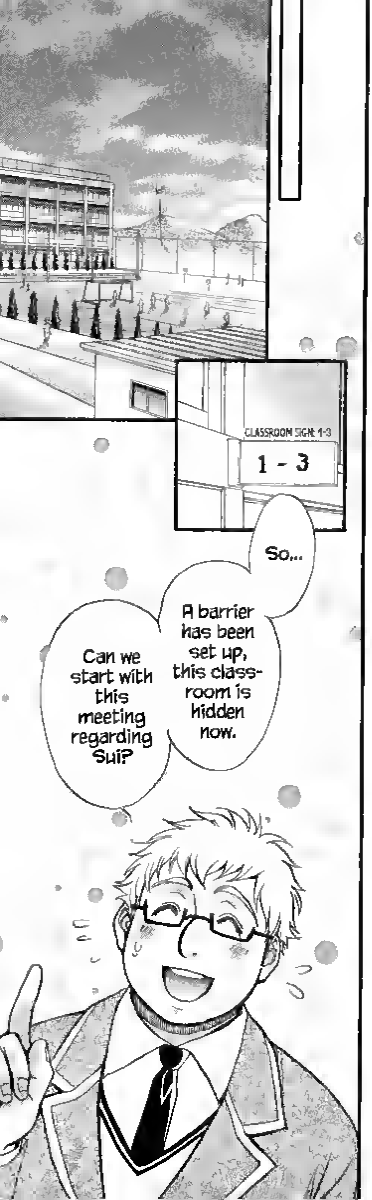
But if you hear all of it, you won't be the same as before,
you might be afraid.
As long as you're aware of that, I'll tell you everything.
Wait... Wait a minute!
Is it such a big secret that I have to have that level of awareness?
Yup, as big as the universe.
HUH-?! THAT BIG?!
What's my secret? What exactly is the unsolved mystery that's hidden within my body?
Could it be we're not twins? If so... I'm picked up from the roadside?
Most importantly, what exactly are my powers?
ぐるぐる

Sou...
Will I get a shock... when I find out the truth about myself?
Well...
there's no way you wouldn't be...
THAT'S REALLY SCARY! IT'S SCARY IF I LISTEN. IT'S SCARY EVEN IF I DON'T! SOU. YOU'RE AN IDIOT!
It won't get better even if you tell me.
Eh—?!
Is it that serious?
If someone were to tell it to me, I'd probably fall apart myself.
So what now, Suif?
Errrrrrm...

Even if I know the truth...
Sou will not change, and stay by my side like always?
You fool...

From the beginning I've always known about Sui.
But I'm still here, by your side, aren't I?
I'll still do the same in the future. There won't be any changes, so you don't have to worry...
Okay...
If so... I would like to hear...
Tell me about it...
All right...

The truth is...



CLASSROOM SIGN: 1-3
1 - 3
So...
A barrier has been set up, this classroom is hidden now.
Can we start with this meeting regarding Sui?

...!
Indeed it's a secret as big as the universe...
ს
ი
ი

Why are you here again? There's no need for you to listen in, right?
There's no reason for you to get involved like always.
Well!
WHY ARE YOU THE ONE SPEAKING UP AGAIN?!
Kitano...
Although I can't do much, I still do worry about my good friend...
If I don't listen in to this meeting about supernatural topics, I wouldn't be upholding my reputation as a supernatural fanatic!
And your real motive?
Ah
Oops I've spilled it

If you don't disturb us, it's okay for you to be here.
The barrier has been set up anyway.
Eh... Even though it's morning? Urgh
Can we talk about Sui now?
Before that,
let's start off with you guys.
What are you guys planning to do with the "Hope" you've been searching for?

WHAT?
WHAT DO YOU MEAN BY THAT?
If you guys are not telling,
...there's no need for us to tell you, too.
It's rather obvious.
If, and I meant if, Sou is the person you all are looking for,
...at this stage where it's unclear what you guys are planning to do, it's impossible for me to let any of you near my most important Sui.
